The Ontario Chapter CSHA Sponsorship Committee

As a non-profit, non-Government funded organization, the CSHA Ontario Chapter relies solely on member and sponsor support to host such shows and events.

It takes dedication and hard work to develop a Sport Horse, so exhibitors always appreciate any "in kind" gifts. Your generous sponsorship donations contribute towards class prizes, show operation and organization, as well as awards.

Thank you for considering a sponsorship with us. With your generous donation, we will be able to host shows that reward and promote Canadian excellence in breeding.

Your sponsorship will also enable us to provide clinics and events that not only promote Canadian breeders but provide enrichment and development opportunities for all members of the equestrian community, too.

With hundreds of breeders and thousands of registered Canadian Sport Horses, we've seen many of these horses compete successfully in the hunter, jumper, dressage, and eventing disciplines. Several have gone on to compete at the highest levels of international competition.

We aim to encourage and promote excellence in sport horse breeding through the recognition of strong efforts made by our members, and this will be a year to remember!

We invite you to be an integral part of our success by joining us as a CSHA Ontario Chapter sponsor. We offer multiple avenues of participation, each with an opportunity for you to reach a broad, dedicated audience through targeted advertising. Not only will you increase public awareness of your services or products, but you will be helping the CSHA to promote a truly Canadian achievement.

We hope you'll join us at the shows and become part of the excitement! Please feel free to reach out to us at cshaontario@gmail.com to discuss opportunities and ways that we can recognize your generous sponsorship.

Everyone at the CSHA thanks you for your support, and we look forward to seeing you.

Best regards,

The Ontario Chapter CSHA
Sponsorship Committee
